CHICAGO, IL - A limited number of tickets are available for Greek singing sensation Anna Vissi’s Young Professionals After Dark show this Saturday, May 14, at 10:30 p.m. in the Grand Ballroom at the Hilton Chicago.

An internationally acclaimed musical artist with a high energy performance style that has been described as a combination of Madonna and Celine Dion, Vissi is one of the top selling performers in Greece, with 32 Platinum and 11 Gold certifications from IFPI Greece. She’s sold over 9.5 million records worldwide.

Join the National Hellenic Museum for this special Young Professionals After Dark show immediately following the Museum’s annual Gala. Tickets for the late night event are $100. Doors will open at 10:00 p.m. Dress is black tie optional.

“We don’t want anyone to miss the opportunity to celebrate Greek culture and experience Anna Vissi’s incredible performance, so we opened up a limited number of reduced tickets for young professionals to attend this special After Dark event,” said Elizabeth Martin, Executive Director of the National Hellenic Museum. “It will be an unforgettable night.”

Proceeds from the Gala and Young Professionals After Dark performance help support the Museum’s mission to document, preserve, and present the legacy of Greek Americans and their contributions to the American mosaic.
